OUR ADVANTAGE

LiFePO₄ Battery

- With LiFePO₄ battery, high safety, long life span.

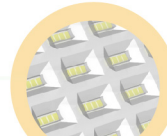

Mono-crystalline Solar Panel

- Better light utilization and current collection, effectively improve product power output and reliability.

Aluminum Magnesium Alloy Lamp Case

- High quality aluminum magnesium alloy.
- Original patent design, independent mould.

LED Lamp Beads

- High lumen LED lamp beads, with 100000 hrs life span.

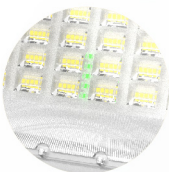

Gold Plated Plug

- Safe and risk-free.
- No worry about connection and short circuit.

PC Outdoor Optical Lens

- High light transmittance, high temperature resistance and aging resistance.

The charging indicator function

The charging indicator function can intuitively display the charging progress and understand the charging status to avoid damage caused by overcharging and over-discharging of the battery.
